Press Release

**July 26, 2010**

Greenville, South Carolina

Greenville & Western Railway Company, LLC, a wholly owned subsidiary of Western Carolina Railway Service Corporation, will be commencing a track upgrade and maintenance project in Williamston, SC on July 26, 2010 with said project estimated to be completed on or before August 15, 2010.

The project involves:

- Construction of two retaining walls and roadbed stabilization near Gossett Drive;
- Replacement of bridge timbers on the rail-highway overpass at Gossett Drive;
- Installation of new ties south of Gossett Drive;
- Installation of ¼-mile of new and heavier-duty rail between the north end of the concrete bridge behind Mineral Springs Park to just south of Prince Street; and
- The rebuilding of the Prince Street rail-highway grade crossing.

To facilitate the scheduled work, it is anticipated that the following delays and road closings will be necessary:

- Prince Street will be closed for approximately two days during the week of August 2-6, 2010
- Gossett Drive will be closed for approximately three days during the week of August 9-13, 2010
- Short (10 to 15 minute) traffic delays are anticipated at both Prince Street and Gossett Drive for the duration of the project (to permit the movement of equipment and/or materials)

Greenville & Western Railway Company, LLC thanks the public in advance for their patience and understanding during the duration of this project.
