Press Release

January 6, 2011

Greenville, South Carolina

Greenville & Western Railway Company, LLC, a wholly owned subsidiary of Western Carolina Railway Service Corporation, is pleased to announce its new 24-hour Emergency Notification System Call Center. The call center is designed to receive and record phone calls involving stalled vehicles or other emergency situations that potentially involve train movements or railroad property. The call center will then notify the appropriate authorities as necessary for the specific situation. The new call center number is:

1-866-690-4779

In addition to the phone number, signs posted at each crossing specify the DOT Crossing Inventory Number for the crossing, as well as the railroad milepost at that location. All emergency notifications should be made using the call center. Non-emergency calls should continue to be directed to 864-236-7051 during normal business hours.
