Press Release

December 7, 2011

Greenville, South Carolina

Greenville & Western Railway Company, LLC, a wholly owned subsidiary of Western Carolina Railway Service Corporation, will be rebuilding the Campbell Road rail-highway grade crossing during the week of December 12-16, 2011.

It is anticipated that the Campbell Road crossing will be closed for approximately 24 to 30 hours, commencing late afternoon December 14 and extending through the evening of December 15. During this brief road closure, motorists should use Rice Road and Rocky Creek/Beeks Road as a detour route around the closed section of Campbell Road between US 176/78 (Belton Honea Path Highway) and Rocky Creek/Beeks Road.

Greenville & Western Railway thanks the public in advance for their patience and understanding during this temporary road closure.
