

Greenville & Western Railway Company, LLC

Post Office Box 1729, Taylors, South Carolina 29687 - 0036

Press Release

February 10, 2014

Greenville, South Carolina

Greenville & Western Railway Company, LLC, a wholly owned subsidiary of Western Carolina Railway Service Corporation, will be resurfacing the Academy Street rail-highway grade crossing February 17 through February 19, 2014.

It is anticipated that the Academy Street crossing will be closed for approximately 72 hours, commencing the morning of February 17 and extending through the evening of February 19. During this brief road closure, motorists should use Broad Street to Gossett Drive to West 1st Street as a detour route around the closed section of Academy Street. Academy Street will remain open to local traffic on both sides of the grade crossing, including access to Parker Street on the west side of the closure, with limited blockages on Parker Street as drainage pipe is replaced concurrent with the grade crossing repairs.

TRUCK ADVISORY: DO NOT use Gossett Drive between Williams Street and SC Hwy 20 (Main Street) due to 9'4" overhead clearance restriction at Mineral Springs Park.

Greenville & Western Railway thanks the public in advance for their patience and understanding during this temporary road closure.
