Historic Greer Depot, 300 Randall Street, Suite A, Greer, South Carolina 29651 - 3410

Press Release

**August 26, 2020**

Greer, South Carolina

Greenville & Western Railway Company, LLC, a wholly owned subsidiary of Western Carolina Railway Service Corporation, is currently performing major repairs to the J.P. Gossett Drive overpass in Williamston, SC. Originally scheduled for completion between August 24 and September 6, 2020, the discovery of additional structural damage to a critical load-bearing point on the 1912-built bridge has revealed a need for additional repairs that are beyond the scope of the work originally anticipated.

As a result of this unforeseen damage, Gossett Drive will now remain closed through September 15, 2020, so that thorough repairs to the structure can be completed. The road will be opened earlier if work is completed ahead of the now revised schedule.

Greenville & Western Railway thanks the public for their patience and understanding during this extended road closure. Additional updates (if any) will be provided as they become available.

For continuing updates on the further growth and development of Greenville & Western Railway Company, LLC, pay a routine visit to: <http://www.werscorp.com/railroads.html>.
